## "DO YOUR BIT" By Subscribing to THE U. S. GOVERNMENT LIBERTY LOAN

The history of all our wars amply warrants the belief of our government that our people will give their enthusiastic co-operation to financing the World War of Today.

It is the imperative personal duty of every one to subscribe to the "Liberty Loan of 1917."

Although a much better return may be had from many other securities, no investment of today will render such an enormous percentage of service and offer a greater opportunity to benefit mankind.

The "Liberty Loan," issued in denominations of \$50 and up, will bear interest at the rate of 3½ per cent and will be Free of All Taxation Except the Inheritance Taxes.

Subscriptions to the new loan will be received at our Street Floor Office without charge to the subscriber or to the government.

**READY!**  
A New Victor Record  
of  
THE STAR SPANGLED BANNER  
By John McCormack.

—And just by way of clinching the argument—the whole family will enjoy that Victrola; and daughter will have an ALLY to help her entertain this summer.

—Think it over!

—And, oh, dear; how much she wanted—  
—A Victrola she had stopped to look at in Kann's Victrola Store while shopping for Commencement apparel.  
—It was a "Victrola XI," at \$100.  
—And a very obliging salesman told her that she could buy it  
**ON HER OWN TERMS, IN REASON**  
—and that started us to wondering:  
—Will mother and dad read this ad and make the "Sweet Girl Graduate" the happiest mortal alive on Commencement Day?  
—Come in and talk it over with our experts. It is true; you buy a Victrola at Kann's on your own terms, in reason.
